

# LED CANOPY CM17

## Features

- Die-cast aluminum housing for durability and heat dissipation.
- Multiple installation options (conduit/ pendant/ junction box).
- Motion seneor (optional).
- Long lifespan of 50,000 hours at 40°C.

## Technical specification

|                         |                |
|-------------------------|----------------|
| Model Number            | CM17           |
| Input Voltage           | 120-277V       |
| CRI                     | >70            |
| Power Factor            | >0.9           |
| THD                     | <20%           |
| Ambient Operating Temp. | -40~40°C       |
| Surge Protection        | 4KV            |
| Efficacy                | 141lm/w        |
| Wattage(Selectable)     | 50%,75%,100%   |
| Color Temperature       | 4000K or 5000K |
| Wattage                 | 108W(15227lm)  |

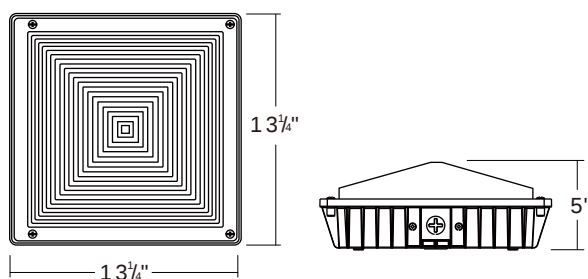

• All values are nominal with  $\pm 10\%$  tolerance.

## Applications

- Parking Garages
- Work Shop
- Storefronts
- Warehouses
- Garages
- Vestibules
